RIHS Hackathon 2027

Saturday, January 9, 2027 | 9:00 AM–3:00 PM Pacific

River Islands High School 16601 Riptide Wy, Lathrop, CA 95330

Help students build, learn, and connect.

The RIHS Hackathon brings students together for collaborative software projects, coding workshops, mentor support, project demonstrations, and judging. Participation is free. The event has 100 spots. Check-in begins at 8:30 AM in the cafeteria. The water-related challenge is revealed during the opening ceremony; submissions are due at 12:15 PM Pacific.

Why support the event?

- Support hands-on local STEM learning and access to useful resources.
- Connect with students interested in technology, engineering, and entrepreneurship.
- Receive recognition through the approved materials and opportunities included in your selected tier.
